*Food For The Poor is one of the largest international relief and development organizations in the United States*

Our work is motivated by our faith in God, spreading His unconditional love, regardless of race, wealth, or creed as we minister to those in desperate need in primarily 17 countries throughout the Caribbean and Latin America. FAITH FORMATION NEWS!

Faith Formation Classes have begun! Thank you to all of the teachers who have volunteered their time and talents to teach the youth of our parish!

Grades 9 & 10 will NOT have class until teachers come forward. This will be a combined class with both grades, and they will begin the preparation for the sacrament of Confirmation. Ideally, I need a man and a woman to teach this class together. Please consider sharing your faith, and growing in your faith, while preparing our young adults.

All materials are provided, all classes are here at St. Luke's, all that is required are willing hearts. Please call the office with any questions or concerns!

Thank you,
Jenny Nielsen, DRE

Diocesan Annual Appeal

A reminder of our Annual Appeal for the Diocese of Grand Island currently is going on. Please send in your contribution to Grand Island soon. There are extra envelopes for you to use if you didn't receive one in the mail from Bishop Hanefeldt.

WE ARE GOD'S CO-WORKERS... "Therefore, neither the one who plants nor the one who waters is anything, but, only God, who causes the growth." 1 Corinthians 3:7

O Lord our heavenly Father, whose blessed Son came not to be ministered unto, but to minister; We beseech thee to bless all who, following in his steps, give themselves to the service of their fellow men. Endue them with wisdom, patience, and courage, that they may strengthen the weak and raise up those who fall; and, being inspired by thy love, may worthily minister in thy Name to the suffering, the friendless, and the needy; for the sake of him who laid down his life for us, the same thy Son, our Saviour, Jesus Christ. Amen. - 1928 Book of Common Prayer

Preventing the Flu: Good Health Habits Can Help Stop Germs

- 1. Avoid close contact. Avoid close contact with people who are sick. When you are sick, keep your distance from others to protect them from getting sick too.
2. Stay Home when you are sick. If possible, stay home from work, school and errands when you are sick. You will help prevent others from catching your illness.
3. Cover your mouth and nose. Cover your mouth and nose with a tissue when coughing or sneezing. It may prevent those around you from getting sick.
4. Clean your hands. Washing your hands often will help protect you from germs.
5. Avoid touching your eyes, nose or mouth. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose or mouth.
6. Practice other good health habits. Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids and eat nutritious food.

Liturgical Roles

There are many Christian ministries needed in the Church and in the world. The first Christian ministry for all believers is the Worship of God. All of us are given a talent or gift for specific roles in assisting the Community in prayer. If you are willing to serve in one of the following liturgical ministries, please mail or bring this form back as a part of your parish contribution. Thanks!
