WAY!!! On the weekend of March 29-31, many of our youth will come together in Grand Island for **Going Bananas For Jesus 2019**. Here they will have an opportunity to share their enthusiasm, spirit, and love of Jesus with one another as they learn more about Him, themselves, and each other. The team for this event has been preparing for almost a year, and would like to invite each of you in the diocese to join us in prayer that each of the participants will come to know Jesus in a way that will bless their lives and ultimately lead each of them to RISE UP to a more meaningful relationship with God and one another. Please encourage the youth of your parish to participate. Registration is on-line at gidiocese.org/yya/gbfj

Luke 5:4

Archbishop Joseph F. Naumann of Kansas City, KS and Chairman of the U.S. Bishops' Committee on Pro-Life Activities has issued the following statement in response to several states moving forward with legislation that would permit a baby to be aborted at nine months.

Archbishop Joseph F. Naumann of Kansas City, KS and Chairman of the U.S. Bishops' Committee on Pro-Life Activities has issued the following statement:

“Abortion has always been built on a lie. Today, the lie is switching from 'abortion is a choice' to 'abortion is healthcare.' A law recently passed in New York not only legalizes abortion essentially for any reason through all nine months of pregnancy but removes any protection for children born alive after abortion. A similar bill was proposed in Virginia along with several other states, all in the name of women's health.

This legislation is evil, pure and simple. And it shocks the conscience to see such evil legislation greeted with raucous cheers and standing ovations. Most grieving to our Lord of Life is that those who advocate for abortion put their eternal souls in jeopardy.

It is sickeningly dishonest to claim that women's lives or health depend on intentionally killing their children. This is especially true for late-term abortion, which always involves the purposeful destruction of a child which could have been born alive, with much less risk to the mother, had they both received real healthcare.

Now is the time for all Catholics—bishops, priests, and laity—to fight for the unborn with renewed vigor. We must educate family, friends, legislators, and fellow citizens about how it is never necessary to intentionally kill unborn children in order to save their mothers.

Local action is especially important. Though ending *Roe v. Wade* is a central goal of the pro-life movement, if the decision were overturned, only eleven states would immediately ban abortion; the other thirty-nine states would still allow it.

I urge Catholics, and thoughtful Americans of all religions or none at all to advocate for local change. Sign up for your State Catholic Conference or diocesan pro-life advocacy network, which can help you communicate to elected officials. Or seek out state and local pro-life groups, including parish respect life groups, that are making a difference at the state level.

Though we live in very dark days, we know that the Lord has already triumphed over death. But we must use this time on earth to be His hands and feet. This means each of us rededicating ourselves to prayer, and fighting for the most vulnerable among us, especially unborn children and their mothers.”
